**KEEPING AMERICAN  
INDUSTRY MOVING  
FORWARD.**

**EXPERT ROBOTICS SOLUTIONS. MAXIMUM UPTIME. LONG-TERM VALUE.**

### OUR SERVICES

#### ROBOTIC REFURBISHMENT

Complete mechanical and electrical refurbishment to like-new condition. Includes disassembly, cleaning, painting, reassembly, and testing.

#### GREASE & LUBRICATION SERVICES

Full grease replacement using OEM specifications to extend robot life and ensure peak performance.

#### INSPECTION & DIAGNOSTICS

In-depth inspections and diagnostics to identify issues early and prevent unexpected downtime.

#### REPAIR SERVICES

Expert repair of mechanical, electrical, and electronic components to restore reliability and performance.

#### CONTROLLER & PROGRAMMING

Controller repairs, software updates, programming, configuration, and system integration.

#### SAFETY SERVICES

Risk assessments, safety program development, safety system integration, and compliance support.

#### PREVENTATIVE MAINTENANCE

Scheduled maintenance programs designed to reduce downtime and extend equipment life.

#### PARTS & COMPONENTS

High-quality OEM and aftermarket parts for robots and automation equipment.

#### PAINTING & COSMETIC REPAIR

Professional painting and cosmetic restoration to protect and improve the appearance of your robots.

#### REMOVAL & REINSTALLATION

Safe removal, packaging, delivery, and reinstallation to minimize disruption to your operations.

### WHY REFURBISH INSTEAD OF NEW?

- ✓ Save 30–60% compared to the cost of new robots
- ✓ Shorter lead times and faster return to production
- ✓ Extend the life of your existing equipment
- ✓ Reduce downtime and increase reliability
- ✓ Refurbished to like-new performance standards by 4C experts

### FAMILY VALUES

#### FAMILY

We work together and support each other.

#### INTEGRITY

We do the right thing every time.

#### COMMITMENT

We are dedicated to your success.

#### RESPECT

We treat our customers, partners, and each other with respect.

#### LOYALTY

We build lasting relationships through trust and dependability.

### ROBOTS WE SERVICE

**FANUC ABB KUKA**

**YASKAWA MOTOMAN**

...AND MORE

### 4C MISSION STATEMENT

To provide excellent customer service to all customers, no matter the time of day or need.

In all things, do what is right, even if what's right is difficult, in an effort to ensure the customer is honored to the highest standard.

### SAFETY IS OUR FOUNDATION

We are committed to safety in everything we do. Protecting people. Protecting equipment. Powering performance.
